

Rhetoric of the Future—Permission to read *Global Woman*

I give permission for _____ to read *Global Woman* for AP English Language/Composition's Unit 3: The Pen's Power to Affect the Future. I acknowledge that if I do not give my permission or if my child doesn't return this permission form by the next class, Mrs. Lawson will assign my child a different book. The distribution of the other books, not necessarily my child's preference, will determine the re-assigned book.
