Group Member Names

_____   _____   _____
_____   _____   _____

Directions:
1. Analyze ALL requirements in the *What* column.
2. Synthesize all responses from the What column to write a problem, consequence, analysis, or expansion in the *So What?* column.
3. Write possible solutions, next steps, evaluation, or connections to today in the **Now What?** column.

Selection(s) title(s) _____ Analysis
